LB 830, 868

SENATOR MURPHY: That is fine and then I will direct it to the committee amendment on Select File. Thank you.

SPEAKER LUEDTKE: Any further discussion? Senator Barnett.

SENATOR BARNETT: Mr. President, members of the Legislature, I think Senator Savage you should talk that over with Senator Murphy what he wants to do. I'm not sure that you can get by doing what Murph wants to do and I know that he talked about this last year in the state legislation but if you would read this amendment and read it with Senator Murphy as it states, Bob it says "not withstanding any other law or laws here before enacted, all cities and villages in this state shall have the power by ordinance to define". I'm not sure with that Supreme Court decision that John read whether you could take that one out Murph. I think that it should be looked into before you try to do it. I know what you are trying to do, you tried it on the state legislation but this gives the local ordinances the power.

SPEAKER LUEDTKE: Senator Murphy, do you want to respond to that?

SENATOR MURPHY: Yes. Senator Barnett the amendment that I will prepare subject to the approval of interested parties would simply go on further under the marital discrimination that in this specific instance the marital discrimination would not apply. That is what we did last time in the state law and I think that we can incorporate it into our permissiveness in the same manner.

SENATOR BARNETT: That is what I was trying to bring to your attention. I'm sure that you would have thought of it but I wanted to bring it to your attention so that you make sure you do try to get it to comply with the state.

SENATOR MURPHY: Fine, thank you.

SPEAKER LUEDTKE: Any further discussion on LB 830? Hearing none, the motion then before the House is the advancement of.. Do you want to close Senator Savage? The motion is the advancement of LB 830 to E & R Initial. All those in favor vote aye, those opposed vote nay. Record the vote.

CLERK: 28 ayes, 0 nays on the motion to advance Mr. President.

SPEAKER LUEDTKE: LB 830 is advanced to E & R Initial. The next bill is LB 868.

CLERK: Mr. President 868 a bill introduced by Senator Myron Rumery of the 42nd District. Read bill. There are pending Urban Affairs Committee amendments.

SPEAKER LUEDTKE: The Chair recognizes Senator George.

SENATOR GEORGE: Mr. Speaker, I move to adopt the committee amendment. It is a rather simple one. Instead of using the word "employed" for that treasurer of the airport authority it does say "appointed". It is simply a legal expression. That is the only amendment. Generally speaking, the committee also looked into the necessity of this bill and checked with
